What we do Tunachofanya Ki kyetukola

ENG

We are developing and testing a digital contact trace system tailored to haulage. This will make this process efficient for public health and improve welfare for truck drivers.

KIS

Tunatengeneza na kujaribu mfumo wa ufuatiliaji wa mawasiliano ya kidijitali iliyoundwa mahususi kwa usafirishaji. Hii itafanya mchakato huu kuwa mzuri kwa afya ya umma na kuboresha ustawi wa madereva wa lori.

LUG
